

EXPERIENCE THE NEW
MG55 EV

BEST-IN-CLASS DRIVING DYNAMICS

PASSION
TO DRIVE

FOR THE PASSION OF THE DRIVE

For a century, MG has pursued one enduring idea: the joy of driving should never fade. From its British motorsport heritage to modern roads worldwide, MG vehicles are engineered for confident dynamics, balanced performance, and a genuine connection between driver and machine. Today, that legacy evolves through electrification, purposeful innovation, and driver-focused design at the centre of every journey.

DRIVE THE DIFFERENCE

The MG5 EV carries MG's sporty heritage into a new era of electric performance with rear-wheel drive, delivering better balance, sharper cornering, easier manoeuvring, and assured stability, alongside responsive acceleration that keeps every drive connected and engaging. With fast-charging convenience for everyday use, its true appeal is best experienced through a test drive.

THE ART OF EFFORTLESS MOTION

The MGS5 EV is beautifully balanced. Rear-wheel drive and near-perfect weight distribution (47:53) make every turn smooth and controlled. With 203PS (151 kW) and 350Nm of torque, it's agile and responsive when you need it, just the way driving should feel.

MORE SMART, MORE MILES

The MGS5 EV offers a best-in-class driving range of 446km*, giving you the freedom to go further. Its horizontal battery layout improves heat dispersion, reduces cell expansion, and enhances safety while creating more interior space. Fast charging takes you from 10% to 80% in just 26 minutes, keeping you ready for wherever the road leads.

MORE SPORTY, MORE STYLISH

The MG5 EV's design makes a strong first impression. The Wind Hunter Active Intake Grille and Racing Flag DRL headlights create a bold look, while sculpted bodywork and a sporty stance reflect MG's performance heritage. The MG Family Arch Taillight leaves a distinctive signature, complemented by 18" Alloy Wheels, and a Panoramic Sunroof* that makes every drive more expansive.

MORE SOPHISTICATED, MORE CONNECTED

Step inside the MGS5 EV and experience a refined, driver-focused sanctuary. Hidden Breeze-Feel Air Vents maintain a clean, sophisticated design, while the MG EV Rotary Gear Knob and joystick-style steering wheel controls put everything in easy reach. Ventilated Leatherette Powered Front Seats enhance comfort, and with wireless charging and integrated infotainment, everything you need is right at your fingertips.

*AVAILABLE IN LUX VARIANT ONLY

MORE SPACE, MORE POSSIBILITIES

With up to 38 storage spaces and 60:40 folding rear seats, the MGS5 EV adapts to your needs. Boot space expands up to 1441 litres, offering ample room for daily essentials and weekend gear. A hands-free power tailgate adds convenience, making loading and unloading effortless.
